OK, and thanks Stephen for covering the Honor Awards Panel. I know that is not a trivial amount of work.

Thanks Tina – I may be a little late to the MBR too as the ORD Honor Awards Panel meeting overlaps—I’m going to duck out of it around 11 if it’s still going on in order to join the MBR.

FYI -- The plan for this one is for Cheryl and Kirkley to do the early part of the MBR meeting with an introduction/focus on the “product” side of the MBR as we spent the whole time last meeting going through the “resource” side of the review items. Time permitting, I can cover the resource side at the end. This will again likely be an informal meeting and exchange as we get all comfortable with the process and purpose.

OK, thanks Stephen. I might be a few minutes late to the MBR, since I have a partner meeting right before. But I’ll join you asap!

Thanks,
Tina

The sheet is already in Sharepoint, so it is just a matter of opening up editing rights. I was thinking Kirkley or I could mention this wider access to input at the MBR meeting tomorrow in context as an improvement where the hope would be to get information into the Tracker more efficiently, accurately and say we’ll need a lead or two from each division for entry rights.

We'll move this to Sharepoint and let Divisions indicate who should have access and who will keep updated?
